

Subject : Design MYP3		Teachers Name :	Ms. Nisreen & Ms. Francisca
Date : From	21/2/2018	To	4/3/2018

Classwork (all work that should be done in the classroom)

Unit 2 Body adornment (*Product Design*)

Unit 2 Title: Body adornment

Statement of inquiry: Personal and cultural perspective can be communicated and expressed through designing adornments that are made from different resources.

With teacher's guidance, students will use a variety of tools, materials and skills to make their adornment/ accessory project.

Students should combine different components and materials and manipulate them to suit the purpose of the solution/product created (body adornment/accessory)

They should use cutting, measuring and marking out, and shaping skills.

Design Notebooks: students should make sure they have their notebooks and keep good neat handwriting when they copy in their notebooks.

Homework (all work that should be done at home)

No Homework is assigned for this cycle.

Assessment, Projects and Activities

All work, tasks and activities that are done by students in the classroom or at home (any homework needed) are part of their Unit 2 Summative Assessment.

Classwork (all work that should be done in the classroom)

Unit 2 Body adornment (*Product Design*)

Unit 2 Title: Body adornment

Statement of inquiry: Personal and cultural perspective can be communicated and expressed through designing adornments that are made from different resources.

Students will be continue working on Unit 2 Body adornment, which is a product design unit. Students will finalize planning their body adornment projects by choosing one design idea from the 3 different design ideas and justifying its selection (*by testing design ideas against design specification*).

Students will start the making stage of their projects, where they will use a variety of tools, materials and skills to make their adornment/ accessory project.

Design Notebooks: students should make sure they have their notebooks and keep good neat handwriting when they copy in their notebooks.

Homework (all work that should be done at home)

No Homework is assigned for this cycle.
