

Subject : Design MYP3

Teachers Name : Ms. Nisreen &amp; Ms. Francisca

Date : From

9/5/2018

To

16/5/2018

**Classwork (all work that should be done in the classroom)**Unit 3 Wars and immigration (*Digital Design*)**Unit 3 Title:** Wars and immigration (Due date is May 15<sup>th</sup>)**Statement of inquiry:** Collaborating and raising awareness in our communities about wars can reduce potential impacts of immigration.***Stage D Evaluating***

- Students will design tests to evaluate their projects, carry out those tests and evaluate their projects' success.
- Students will identify areas where their projects could be improved (list any improvements needed in the future) and explain how their projects will affect the client or target audience (project impact on audience).

**NOTE: By the end of this cycle, all tasks of the four stages of this unit MUST be completed.****Design Notebooks:** students should make sure they have their notebooks and keep good neat handwriting when they copy in their notebooks.**Homework (all work that should be done at home)**

No Homework is assigned for this cycle.

**Assessment, Projects and Activities****All work, tasks and activities that are done by students in the classroom or at home (any homework needed) are part of their Unit 3 Summative Assessment.**

**Subject : Design MYP 3****Teachers Name : Ms. Nisreen & Ms. Francisca****Date : From****1/5/2018****To****8/5/2018****Classwork (all work that should be done in the classroom)**Unit 3 Wars and immigration (*Digital Design*)Unit 3 Title: Wars and immigrationStatement of inquiry: Collaborating and raising awareness in our communities about wars can reduce potential impacts of immigration.***Stage C Creating the solutions***

- Students will continue making their Movies/ Animations using appropriate software applications e.g. Movie Maker, PowerPoint 2013 ....etc. They should add all project elements listed in design specification and implement the chosen design idea/storyboard of stage *B Developing ideas*.
- Students must complete stage C Creating the solution by finalizing their movie projects, and listing and justifying all changes made in the creation stage.

**Design Notebooks:** students should make sure they have their notebooks and keep good neat handwriting when they copy in their notebooks.**Homework (all work that should be done at home)**

No Homework is assigned for this cycle.

**Assessment, Projects and Activities****All work, tasks and activities that are done by students in the classroom or at home (any homework needed) are part of their Unit 3 Summative Assessment.**
