

**Subject: Science****Grade: Grade 5****Subject teacher: Ms. Rachell Ann****Date: From December 2 to 6, 2018****What are students expected to know by the end of the week?**

By the end of the week, the students are expected to demonstrate understanding of the following key concepts in preparation for their examination.

- Solar System
- Force
- Food Chain and Food Web
- Photosynthesis
- Plant's Parts and Adaptation
- Animal Adaptation

**Resources needed during instruction.**

Revision paper and practice test will be given next week. Remind your child to REFRAIN FROM MAKING ABSENCES DURING THE REVIEW WEEK.

Laptop is needed for achieve3000 (electronic book)

**Homework and Projects to accomplish**

Completion of worksheets and laboratory activities.

**PREPARE FOR A SHORT QUIZ AFTER THE LESSON.**

**How can parents help their children to practice the learning task at home?**

Parents are encouraged to take part in reviewing the concepts at home. The use of flashcards and picture is a big help.
